MEMORANDUM FOR: Director, National Photographic Interpretation Center
THROUGH : Chief, Support Staff, NPIC
SUBJECT : Request for Approval to Expend [] for a Time and Materials Contract with [] "Engineering Changes to Comparators"

25X1

25X1

1. A special time and materials proposal was solicited by NPIC from [] to apply small modifications to six chip comparators. Equipment evaluation has determined that these modifications are necessary in order to increase the efficiency of the equipment and to reduce the hours of "down" time; thus, savings in maintenance costs will result immediately and operational time on the machines will increase.

2. It is requested that this miscellaneous services proposal be approved and a contract be let with [] from FY-1967 funds; []
